New York State requires funeral homes provide consumers a statement (before payment) known as an Itemized Statement of Funeral Services & Merchandise Selected (Itemization Statement) listing every good & service selected, including price, and a Total Funeral Cost.

The Itemized Statement is comprised of two [2] categories which are added together to arrive at **The Total Funeral Charges.**

1. Funeral Home Charges

a. Derived directly from the funeral homes General Price List [GPL] of which the consumer is allowed a copy for review and retention.

2. Non-Funeral Home Charges [Cash Advance Items]

a. Derived from selected and/or necessary third-party entities. Common Third-Party entities include – Cemetery, Obituary, Certified Death Certificates, Offering to a Place of Worship and/or Officiant, Motorcycle Escort for Motorcade Procession, Crematory...

Non-Funeral Home Charges [Cash Advance Items] are controlled 100% by each individual third-party entity, By law, a funeral home must represent the third-party cost at the exact charge made by the designated third-party entity.

EXAMPLE: Monroe County charges \$30.00 for each certified copy of a death certificate requested. The expense to obtain one [1] certified death certificate is \$30.00 when obtained directly by a consumer or by the funeral home on behalf of the consumer.

Miller Funeral and Cremations Services, Inc. and Miller Funeral and Cremation Services of Victor, Inc. will arrange and provide payment to designated Non-Funeral Home Charges [Cash Advance Items] on behalf of the consumer. Offering this service allows the consumer a more complete understanding of the total expenditures involved with their decisions and maintains one point-of-payment instead of the consumer personally remitting payments to each selected and/or necessary third-party entity.

*****EXPENSES LISTED AS NON-FUNERAL HOME CHARGES [CASH ADVANCE ITEMS] ARE COLLECTED BY THE FUNERAL HOME BEFORE THE RENDERING OF THE SELECTED SERVICES. MONIES COLLECTED FOR THESE EXPENSES ARE PAID BY THE FUNERAL HOME ON THE CONSUMER'S BEHALF, AT THE TIME THIRD-PARTY ENTITY PROVIDES SERVICES.**

NOTE: Miller Funeral and Cremation Services provides this collection of common Non-Funeral Home Expenses [Cash Advance Items] as a courtesy to provide a more complete expression of charges associated with the selections a consumer has made or is considering. Each charge listed herein will be charged to the consumer at the rate charged by each respective third-party at the time arrangements are made.
